COMMITMENT LETTER

Ladies and Gentlemen:

Veritas Capital Credit Funding, L.P., a Delaware limited partnership, and/or one or more of its affiliates (collectively, the “*Commitment Party*” or “*we*” or “*us*”) understand that Monocle Acquisition Corporation, a Delaware corporation (“*Monocle*”), has formed a wholly-owned subsidiary, Monocle Holdings Inc., a Delaware corporation (“*Newco*” and together with Monocle, the “*Recipients*” or “*you*”), for the sole purpose of acquiring, directly or indirectly (through one or more of Newco’s wholly-owned subsidiaries), 100% of the equity interests of AerSale Corp., formerly known as AerSale Holdings, Inc. (“*AerSale Corp.*”) (the “*Acquisition*”). The Acquisition is expected to be accomplished pursuant to the Acquisition Agreement (as defined below) whereby (i) Monocle Merger Sub 1 Inc., a Delaware corporation and a wholly-owned direct subsidiary of Newco, will merge with and into Monocle, with Monocle being the surviving corporation and (ii) Monocle Merger Sub 2 Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Newco, will merge with and into AerSale Corp., with AerSale Corp. being the surviving corporation. We understand that you would like to obtain financing for Newco, and after consummation of the Acquisition, AerSale, Inc. and certain other subsidiaries of AerSale Corp. (individually and collectively, the “*Company*”) in order to (a) finance a portion of the consideration payable in connection with the consummation of the Acquisition, (b) refinance and/or rearrange certain of the Company’s existing indebtedness, (c) finance general corporate purposes of the Company and (d) pay fees and expenses associated with the Acquisition and related transactions (the foregoing, together with the incurrence of indebtedness pursuant to, and other transactions consummated in connection with or otherwise relating to, the FILO Facility (as defined below) or contemplated by this Commitment Letter, collectively, the “*Transactions*”). You have informed us that the projected sources and uses (the “*Sources and Uses*”) for the debt and equity financing of the Transactions are as set forth on Annex A hereto (which are subject to change in accordance with clause (c) of the first paragraph of the “Conditions” section below).

1. *Commitment*

We are pleased to provide you with this commitment letter (this letter agreement, together with the annexes and exhibits attached hereto (collectively, this “*Commitment Letter*”), and including, for the avoidance of doubt, the Summary of FILO Credit Facility Terms and Conditions attached as Exhibit I hereto (together with all appendices thereto, collectively, the “*Term Sheet*”)) establishing the terms and conditions under which the Commitment Party commits to provide to the Company term loans in an aggregate principal amount up to the Maximum FILO Facility Amount (as defined in the Term Sheet) pursuant to the FILO Facility (as defined and further described in the Term Sheet) (the “*Commitment*”). The parties acknowledge that this Commitment Letter summarizes all of the substantive covenants, representations, and events of default (but do not purport to summarize all of the other provisions) that will be contained in the definitive documentation for the FILO Facility. The parties agree that such covenants, representations, warranties and other provisions (to the extent not already expressly addressed in this Commitment Letter) will be based on the corresponding provisions set forth in that certain Amended and Restated Credit Agreement, dated as of July 20, 2018, by and among Wells Fargo, as Administrative Agent, Lead Arranger and Book Runner, the lenders that are party thereto, AerSale Corp. and the Company (the “*Existing Credit Agreement*” and the credit facility provided thereunder, the “*Existing Credit Facility*”) and subject to the Documentation Considerations (as defined in the Term Sheet).

(c) Anything to the contrary in this Commitment Letter notwithstanding, each Recipient agrees, on behalf of itself and the Company, that (i) the Commitment Party shall have the right to provide information concerning the FILO Facility to its financing sources, ratings agencies and any loan syndication and reporting services, and (ii) that the Projections, the Marketing Materials and all other information provided by or on behalf of you, the Company or AerSale Corp., and your and their respective affiliates to the Commitment Party regarding Recipients, the Company or AerSale Corp., and their respective affiliates, the Transactions, in each case, may be disseminated by or on behalf of the Commitment Party to prospective lenders, financing sources and other persons, who have agreed to be bound by customary confidentiality undertakings (including, “click-through” agreements), all in accordance with the Commitment Party’s standard practices (whether transmitted electronically by means of a website, e-mail or otherwise, or made available orally or in writing, including at potential lender or other meetings). You (and you will cause the Company to) hereby further authorize the Commitment Party and its representatives to download copies of each Recipient’s and the Company’s logos from their respective websites and post copies thereof on SyndTrak[®] or similar workspace and use the logos on any confidential information memoranda, presentations and other Marketing Materials prepared in connection with the FILO Facility or the other Transactions.

3. *Costs and Expenses*

In consideration of the issuance of this Commitment Letter and the Commitments hereunder by the Commitment Party, and recognizing that, in connection with the Transactions, the Commitment Party has been and will be incurring costs and expenses (including, without limitation, fees and disbursements of counsel, search and filing fees, costs and expenses of due diligence, transportation, duplication, messenger, appraisal, audit, syndication, and consultant costs and expenses), you hereby agree to pay or reimburse the Commitment Party, on the earlier of the Closing Date and the Commitment Expiration Date (as defined below), for all of such reasonable and documented costs and expenses, regardless of whether the Transactions are consummated (other than in connection with a termination of this Commitment Letter as a result of Commitment Party's breach of its lending commitments hereunder); provided, that the aggregate amount of such costs and expenses for which you shall be liable hereunder shall not exceed \$400,000 (collectively, the "**Expenses**"). 5. *Conditions*

The Commitment shall be subject only to the satisfaction of the following conditions (or the written waiver thereof by the Commitment Party): (a) the execution and delivery of the FILO Credit Agreement (as defined in the Term Sheet) and the other Loan Documents (as defined in the Term Sheet) in form and substance, and containing terms that are, materially consistent with the terms and conditions set forth herein and in the Term Sheet (subject to the Documentation Considerations), subject to the Certain Funds Provisions, (b) since December 31, 2018, there shall not have occurred any Material Adverse Effect (as that term is defined in the Agreement and Plan of Merger relative to the Acquisition dated December 8, 2019 (as in effect on the date hereof and with such changes thereto as are not materially adverse to the interests of the Commitment Party or the Lenders or are otherwise consented to by the Commitment Party, the "**Acquisition Agreement**")), (c) the absence of any change, in any material respect, to the Sources and Uses, and (d) the terms and conditions set forth in Appendix B to the Term Sheet.

The accuracy of the foregoing representation is not a condition to the availability of the FILO Facility.

You agree that, if at any time prior to the Closing Date, you become aware that any of the representations and warranties in the preceding paragraph would be incorrect in any material respect, when taken as a whole, if the Information and the Projections were being furnished, and such representations were being made, at such time, then you will promptly supplement, or cause to be supplemented, the Information and the Projections so that such representations and warranties will be correct in all material respects under those circumstances.

Indemnification Provisions

Capitalized terms used herein shall have the meanings ascribed to them in the commitment letter, dated January 26, 2020 (the "**Commitment Letter**") addressed to Monocle Acquisition Corporation and Monocle Holdings Inc. (each an "**Indemnifying Party**" and collectively, the "**Indemnifying Parties**") from Veritas Capital Credit Funding, L.P..

To the fullest extent permitted by applicable law, each Indemnifying Party, jointly and severally, agrees that it will indemnify, defend, and hold harmless each of the Indemnified Persons from and against (i) any and all losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements, (ii) any and all actions, suits, proceedings and investigations in respect thereof, and (iii) any and all reasonable and documented legal or other costs, expenses or disbursements in giving testimony or furnishing documents in response to a subpoena or otherwise (including, without limitation, the reasonable and documented costs, expenses and disbursements, as and when incurred, of investigating, preparing or defending any such action, proceeding or investigation (whether or not in connection with litigation in which any of the Indemnified Persons is a party) and including, without limitation, any and all losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements, resulting from any act or omission of any of the Indemnified Persons), directly or indirectly, caused by, relating to, based upon, arising out of or in connection with (a) the Transactions and/or (b) the Commitment Letter, the FILO Facility and/or any of the Loan Documents and/or (c) any other documents, matters and/or transactions relating to, or consummated in connection with, anything in foregoing clauses (a) or (b); provided, however, such indemnity agreement shall not apply to any portion of any such loss, claim, damage, obligation, penalty, judgment, award, liability, cost, expense or disbursement of an Indemnified Person to the extent (A) it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted primarily and directly from the gross negligence or willful misconduct of such Indemnified Person, or a material breach of this Commitment Letter by such Indemnified Person or (B) arising from a dispute solely among the Indemnified Persons, other than any dispute or action relating to an Indemnified Person in its capacity as an agent, arranger or similar role under this Commitment Letter or the FILO Facility.

These Indemnification Provisions shall be in addition to any liability which any Indemnifying Party may have to the Indemnified Persons.

If any action, suit, proceeding or investigation is commenced, as to which any of the Indemnified Persons proposes to demand indemnification, it shall notify the Indemnifying Parties with reasonable promptness; provided, however, that any failure by any of the Indemnified Persons to so notify the Indemnifying Parties shall not relieve the Indemnifying Parties from their obligations hereunder. The Commitment Party, on behalf of the Indemnified Persons, shall have the right to retain counsel of its choice to represent the Indemnified Persons, and the Indemnifying Parties shall pay the fees, expenses, and disbursement of such counsel, and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the Indemnifying Parties and any counsel designated by the Indemnifying Parties. The Indemnifying Parties shall, jointly and severally, be liable for any settlement of any claim against any of the Indemnified Persons made with any Indemnifying Party's written consent, which consent shall not be unreasonably withheld. Without the prior written consent of the Commitment Party, no Indemnifying Party shall settle or compromise any claim, permit a default or consent to the entry of any judgment in respect thereof.

In order to provide for just and equitable contribution, if a claim for indemnification pursuant to these Indemnification Provisions is made but is found by a judgment of a court of competent jurisdiction (not subject to further appeal) that such indemnification may not be enforced in such case, even though the express provisions hereof provide for indemnification in such case, then the Indemnifying Parties, on the one hand, and the Indemnified Persons, on the other hand, shall contribute to the losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements to which the Indemnified Persons may be subject in accordance with the relative benefits received by the Indemnifying Parties, on the one hand, and the Indemnified Persons, on the other hand, and also the relative fault of the Indemnifying Parties, on the one hand, and the Indemnified Persons collectively and in the aggregate, on the other hand, in connection with the statements, acts or omissions which resulted in such losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements and the relevant equitable considerations shall also be considered. No person found liable for a fraudulent misrepresentation shall be entitled to contribution from any other person who is not also found liable for such fraudulent misrepresentation. Notwithstanding the foregoing, none of the Indemnified Persons shall be obligated to contribute any amount hereunder that exceeds the amount of fees previously received by such Indemnified Person pursuant to the Commitment Letter.

Neither expiration nor termination of the Commitment Letter or the Commitment Parties' Commitments and other obligations under the Commitment Letter, or the execution and delivery of the Loan Documents, the occurrence of the Closing Date or the funding or repayment of the loans under the FILO Facility, shall affect these Indemnification Provisions, which shall remain operative and continue in full force and effect; provided, however, upon the execution, delivery and effectiveness of the Loan Documents, the indemnification provisions of such Loan Documents shall supersede these Indemnification Provisions, which shall be deemed terminated at such time.

ANNEX C

(a) IN THE EVENT ANY LEGAL PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA (THE “ COURT”) BY OR AGAINST ANY PARTY HERETO IN CONNECTION WITH ANY CLAIM AND THE JURY TRIAL WAIVER SET FORTH IN THE COMMITMENT LETTER IS NOT ENFORCEABLE IN SUCH PROCEEDING, THE PARTIES HERETO AGREE AS FOLLOWS:

THIS GENERAL REFERENCE AGREEMENT DOES NOT LIMIT THE RIGHT OF ANY PARTY TO EXERCISE OR OPPOSE ANY OF THE RIGHTS AND REMEDIES DESCRIBED IN CLAUSES (A) - (D) AND ANY SUCH EXERCISE OR OPPOSITION DOES NOT WAIVE THE RIGHT OF ANY PARTY TO PARTICIPATE IN A REFERENCE PROCEEDING PURSUANT TO THIS GENERAL REFERENCE AGREEMENT WITH RESPECT TO ANY OTHER MATTER.

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN 10 DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). THE REFEREE SHALL BE APPOINTED TO SIT WITH ALL OF THE POWERS PROVIDED BY LAW. PENDING APPOINTMENT OF THE REFEREE, THE COURT SHALL HAVE THE POWER TO ISSUE TEMPORARY OR PROVISIONAL REMEDIES.

(iv) EXCEPT AS EXPRESSLY SET FORTH IN THIS GENERAL REFERENCE AGREEMENT, THE REFEREE SHALL DETERMINE THE MANNER IN WHICH THE REFERENCE PROCEEDING IS CONDUCTED INCLUDING THE TIME AND PLACE OF HEARINGS, THE ORDER OF PRESENTATION OF EVIDENCE, AND ALL OTHER QUESTIONS THAT ARISE WITH RESPECT TO THE COURSE OF THE REFERENCE PROCEEDING. THE PARTY MAKING SUCH REQUEST SHALL HAVE THE OBLIGATION TO ARRANGE FOR AND PAY THE COSTS OF THE COURT REPORTER, PROVIDED THAT SUCH COSTS, ALONG WITH THE REFEREE’S FEES, SHALL ULTIMATELY BE BORNE BY THE PARTY WHICH DOES NOT PREVAIL, AS DETERMINED BY THE REFEREE.

(v) THE REFEREE MAY REQUIRE ONE OR MORE PREHEARING CONFERENCES. THE PARTIES HERETO SHALL BE ENTITLED TO DISCOVERY, AND THE REFEREE SHALL OVERSEE DISCOVERY IN ACCORDANCE WITH THE RULES OF DISCOVERY, AND SHALL ENFORCE ALL DISCOVERY ORDERS IN THE SAME MANNER AS ANY TRIAL COURT JUDGE IN PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA.

(vi) THE REFEREE SHALL APPLY THE RULES OF EVIDENCE APPLICABLE TO PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA AND SHALL DETERMINE ALL ISSUES IN ACCORDANCE WITH CALIFORNIA SUBSTANTIVE AND PROCEDURAL LAW. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY JUDGMENT. THE REFEREE SHALL REPORT HIS OR HER DECISION, WHICH REPORT SHALL ALSO INCLUDE FINDINGS OF FACT AND CONCLUSIONS OF LAW. THE REFEREE SHALL ISSUE A DECISION AND PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE, SECTION 644, THE REFEREE'S DECISION SHALL BE ENTERED BY THE COURT AS A JUDGMENT IN THE SAME MANNER AS IF THE ACTION HAD BEEN TRIED BY THE COURT. THE FINAL JUDGMENT OR ORDER FROM ANY APPEALABLE DECISION OR ORDER ENTERED BY THE REFEREE SHALL BE FULLY APPEALABLE AS IF IT HAS BEEN ENTERED BY THE COURT.

THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. The FILO Facility shall contain requirements relating to delivery of Borrowing Base certificates and other Borrowing Base reporting consistent with the corresponding requirements applicable to the ABL Facility, subject to the Documentation Considerations.

Optional Prepayment: At the Borrower's option, the Advances may be prepaid in whole or in part at any time and from time to time after the Closing Date (each, an "**Optional Prepayment**") upon at least 5 business days prior written notice; provided, however, that all Optional Prepayments shall be accompanied by payment of (a) all interest, fees and expenses accrued and unpaid through the date of such Optional Prepayment and (b) the applicable Prepayment Premium set forth below. In addition, Optional Prepayments shall be subject to minimum amounts as shall be reasonably satisfactory to the Commitment Party and specified in the FILO Credit Agreement.

Mandatory Prepayments: None.

Prepayment Premium: If any Advances are prepaid or repaid (as applicable) for any reason prior to the Maturity Date (including as a result of (i) any Optional Prepayment and (ii) any repayment upon an Event of Default and acceleration of the FILO Facility for any reason (including following any bankruptcy or other insolvency Event of Default)), the Borrower shall pay (in addition to paying amounts constituting accrued and unpaid interest, fees and expenses) a prepayment premium (the "**Prepayment Premium**") in an amount equal to:

Collateral: All indebtedness and other obligations in respect of the FILO Facility (collectively, the "**FILO Obligations**") shall be secured by a perfected security interest in and lien on the following (subject to such customary immaterial exclusions as may be agreed to by the Commitment Party and set forth in the Loan Documents) (collectively, the "**Collateral**"): (a) substantially all of the Loan Parties' now owned and hereafter acquired property and assets (including, without limitation, constituting collateral for purposes of, or otherwise pledged (or required to be pledged) to secure, the ABL Facility), (b) all of the stock (or other ownership interests in) of each Loan Party (other than Parent) (subject to such exclusions with respect to stock of (or other ownership interests in) CFCs as may be agreed to by the Commitment Party to the extent that the pledge thereof would result in material adverse tax consequences (as determined by the Commitment Party in consultation with the Company) and (c) all proceeds and products of the foregoing.

In addition, Intercreditor Arrangements shall not require payment subordination of any FILO Obligations.

Collection: The Loan Parties will direct all of their customers to remit all collections to deposit accounts that are subject to control agreements among the Loan Parties, Agent, the collateral agent under the ABL Facility and a depository bank that is satisfactory to Agent. During a Cash Dominion Period (as defined in the Amended and Restated Guaranty and Security Agreement, dated as of July 20, 2018 by the Loan Parties signatory thereto in favor of Agent (the “**Existing Guaranty and Security Agreement**”), the Agent shall, subject to the Intercreditor Arrangements, have full dominion over all collections and cash will be swept against the Advances on a daily basis at all times.

Documentation Considerations: The credit agreement, collateral documents and other definitive documentation governing or otherwise relating to the FILO Facility shall (a) be in form and substance reasonably satisfactory to the Commitment Party and the Company, (b) be consistent with, and reflect the terms and conditions of, the Commitment Letter and this Term Sheet (except to the extent otherwise agreed to by the Commitment Party and the Borrower) and (c) subject to the foregoing, be based on the form of the definitive documentation governing, and reflecting the terms of, the Existing Credit Facility, if applicable, subject to mutually agreeable modifications as necessary or desirable to account for the type, structure and other aspects of the FILO Facility, the transactions contemplated herein, changes in applicable law and Lenders’ internal policies, as well as such changes as may be required by the Commitment Party to ensure that the FILO Facility shall have the benefit of all favorable terms applicable to the ABL Facility; provided, that, in the event that the Loan Parties agree to any terms or conditions under ABL Facility (other than relating to pricing) that are more favorable to the lenders thereunder than the corresponding terms under the Existing Credit Facility or set forth in this Term Sheet (or in the event that this Term Sheet does not address any such terms), the FILO Facility shall be entitled to the benefit of such more favorable terms and conditions (the foregoing standards, the “**Documentation Considerations**”, and the credit agreement and the other definitive FILO Facility documentation, in each case, drafted in accordance with the Documentation Considerations and complying with the requirements set forth above, the “**FILO Credit Agreement**” and, together with such other definitive FILO Facility documentation and definitive documented Intercreditor Arrangements, collectively, the “**Loan Documents**”).

Representations and Warranties: Subject to the Documentation Considerations, the FILO Credit Agreement will include such representations and warranties as are included in the Existing Credit Agreement, subject to updated schedules as necessary to make the representations and warranties accurate on the Closing Date.

Affirmative Covenants: Subject to the Documentation Considerations, the FILO Credit Agreement will include such affirmative covenants as are included in the Existing Credit Agreement. Without limitation of the foregoing, the Loan Parties shall be required to provide board information rights in a manner and form to be agreed in the FILO Credit Agreement (reasonably acceptable to the Commitment Party).

Field Exams; Appraisals: Subject to the Documentation Considerations, the FILO Credit Agreement will include requirements with respect to field exams, appraisals and other matters relating to the Collateral and/or assets including in the Borrowing Base as are consistent with those set forth on Appendix A hereto and such other as may be required under the ABL Facility.

Negative Covenants:

Subject to the Documentation Considerations, the FILO Credit Agreement will include such negative covenants as are included in the Existing Credit Agreement.

Notwithstanding the foregoing and for the avoidance of doubt:

- (b) no unsecured debt shall be permitted to be maintained or incurred other than an aggregate principal amount not to exceed \$50 million;
- (c) the capacity for lien and debt incurrence related to secured debt for borrowed money shall be limited to the ABL Facility in an aggregate principal amount not to exceed \$150 million; and
- (d) up to \$10 million of secured indebtedness may be incurred by the Company in respect of Whole Engine Collateral and Whole Aircraft located in any Disqualified Jurisdiction, and such assets shall have been released from the Borrowing Base.

For the avoidance of doubt, proceeds of permitted asset sales shall be reinvested in the Loan Parties' business (unless otherwise applied towards Optional Prepayments).

Financial Covenants:

At the end of the first fiscal quarter after the Closing Date and at the end of each quarter thereafter, Parent and Borrower, on a consolidated basis, shall be required to maintain, on a quarterly basis, (a) a minimum Fixed Charge Coverage Ratio (as defined in the Existing Credit Agreement, subject to the Documentation Considerations) of not less than 1.25 to 1.00 and (b) a maximum Senior Leverage Ratio (to be defined in the FILO Credit Agreement, subject to the Documentation Considerations but to generally be secured debt to EBITDA) of not more than 4.50 to 1.00 (the foregoing, collectively, the "***Financial Covenants***").

Events of Default; Enforcement: Subject to the Documentation Considerations, the FILO Credit Agreement will include such events of default (collectively, the “**Events of Default**”) as are included in the Existing Credit Agreement and, for the avoidance of doubt, (a) an Event of Default resulting from the amount of FILO Obligations outstanding at any time exceeding the Borrowing Base in effect at such time (the amount of such total excess, a “**Borrowing Base Deficiency**”); provided, that, if a specific pushdown reserve in an amount equal to such Borrowing Base Deficiency is implemented on the availability under the ABL Facility, the Borrower shall be given a cure period of sixty days to cure such Event of Default by (x) causing additional assets (including the cash proceeds of any borrowing base assets so long as in a controlled account) with an aggregate fair market value of at least the applicable Borrowing Base Deficiency to be included, and given credit for, in the Borrowing Base and/or (y) repaying outstanding FILO Obligations by an amount not less than the applicable Borrowing Base Deficiency and (b) a cross-default to the ABL Facility.

In addition, the FILO Credit Agreement will include provisions governing enforcement of rights and exercise of remedies upon an Event of Default consistent with the corresponding provisions in the Existing Credit Agreement, subject to the Documentation Considerations.

Assignments: After the Closing Date, each Lender shall be permitted to assign its rights and obligations under the Loan Documents, or any part thereof subject to the restrictions set forth in the Existing Credit Agreement (subject to the Documentation Considerations); provided, that, for the avoidance of doubt, no consent of the Borrower or any other Loan Party shall be required in connection with any assignment (a) in connection with fund-level financing of the Commitment Party or any Lender or (b) during the continuance of an Event of Default.

Subject to customary voting limitations, each Lender shall be permitted to sell participations in such rights and obligations, or any part thereof to any person or entity without the consent of Borrower.

Governing Law and Forum: State of New York.

Required Lenders: Lenders holding at least a majority of the aggregate of the outstanding Advances.

Appendix A

Interest Rates and Fees

Interest Rate Options:

Borrower may elect that the loans bear interest at a rate *per annum* equal to:

- (i) the Base Rate plus the Applicable Margin; or
- (ii) the LIBOR Rate plus the Applicable Margin.

As used herein:

The “**Base Rate**” means the greatest of (a) the prime lending rate as announced from time to time by an institution selected by the Commitment Party, (b) the Federal Funds Rate plus $\frac{1}{2}\%$, and (c) the one month LIBOR Rate (which rate shall be determined on a daily basis), plus 1.00%.

The “**LIBOR Rate**” means the rate per annum as published by ICE Benchmark Administration Limited (or any successor page or other commercially available source as Agent may designate from time to time) 2 business days prior to the commencement of the requested interest period, for a term, and in an amount, comparable to the interest period and the amount of the LIBOR Rate Loan requested (whether as an initial LIBOR Rate Loan or as a continuation of a LIBOR Rate Loan or as a conversion of a Base Rate Loan to a LIBOR Rate Loan) by Borrower in accordance with the definitive credit agreement (and, if any such rate is below 1.00%, the LIBOR Rate shall be deemed to be 1.00%), which determination shall be made by Agent and shall be conclusive in the absence of manifest error. The LIBOR Rate shall be available for interest periods of 1, 2, 3 or 6 months.

“**Applicable Margin**” means a per annum rate equal to (a) with respect to Base Rate Loans, 9.50% and (b) with respect to LIBOR Rate Loans, 8.50% per annum; provided, that, the Applicable Margin shall be reduced by 10 basis points for each \$5,000,000 reduction of the Maximum FILO Amount below \$75,000,000.

- Interest Payment Dates:** In the case of Advances bearing interest based upon the Base Rate ("**Base Rate Loans**"), monthly in arrears.
- In the case of Advances bearing interest based upon the LIBOR Rate ("**LIBOR Rate Loans**"), on the last day of each relevant interest period; provided that the interest for any interest period in excess of 3 months shall be paid in 3 month intervals after the commencement of the applicable interest period and on the last day of such interest period.
- OID:** An original issuance discount in an amount equal to, if the Closing Date is (x) on or prior to May 31, 2020, an amount equal to (A) 2.00% of the initial Term Loans funded plus 1.00% of that portion of the Maximum Stated Commitment that is not funded on the Closing Date and (y) after May 31, 2020, 2.00% of the aggregate principal amount of the Maximum Stated Commitment (which may take the form of a fee and is to be documented in a letter agreement entered into by the Lenders and the Borrower on the Closing Date in form and substance satisfactory to the Commitment Party and the Company).
- Default Rate:** (a) Automatically at any time when an insolvency or bankruptcy related Event of Default has occurred and is continuing or (b) upon the direction of the Agent or Required Lenders, and upon written notice by Agent to Borrower at any time when any other Event of Default has occurred and is continuing, all amounts owing under the FILO Facility shall bear interest at 2.00% per annum above the interest rate otherwise applicable thereto, which interest shall be payable in cash on demand.
- Rate and Fee Basis:** All *per annum* rates shall be calculated on the basis of a year of 360 days and the actual number of days elapsed.
- Expense Reimbursement & Indemnification:** The Loan Documents shall contain expense reimbursement and indemnification provisions in favor of the Lenders, the Agent and their Related Persons at least as favorable as the corresponding provisions in the ABL Facility and as otherwise determined in accordance with the Documentation Considerations.
- Field Exam and Valuation Examination Fees:** Borrower will be required to pay (a) a fee of \$1,000 per day, per field examiner, plus reasonable out-of-pocket expenses for each financial field exam of the Loan Parties performed by personnel, employed by (or on behalf of) the Agent, and (b) the actual charges paid or incurred by (or on behalf of) Agent if it elects to employ the services of one or more third persons to appraise the Collateral, or any portion thereof, or to assess Borrower's or its subsidiaries' business valuation; provided, however, that so long as no Event of Default shall have occurred and be continuing, and except for field exams and appraisals conducted in connection with a proposed Permitted Acquisition (as defined in the Existing Credit Agreement, subject to the Documentation Considerations), whether or not consummated, Borrower shall not be obligated to reimburse for more than (a) 1 field exam during any calendar year (increasing to 2 field exams in such calendar year if an Increased Appraisal Event (as defined in the Existing Credit Agreement, subject to the Documentation Considerations) has occurred during such calendar year) or (b) 1 physical appraisal (increasing to 2 physical appraisals in such calendar year if an Increased Appraisal Event has occurred during such calendar year) and 2 desktop appraisals. Consistent with the Existing Credit Agreement (subject to the Documentation Considerations), regardless of the limitations on reimbursements by the Borrower for appraisals, Agent and the Lenders shall be permitted to obtain appraisals at their own respective cost without limitation as to the number of appraisals conducted in any one year.

The Investor Presentation has been prepared to assist parties in making their own evaluation with respect to the proposed business combination (the "Business Combination"), as contemplated in the Agreement and Plan of Merger (the "Merger Agreement"), of Monocle and AerSale and for no other purpose. It is not intended to form the basis of any investment decision or any other decision in respect of the Business Combination. The information contained herein does not purport to be all-inclusive. Use of Projections

This Investor Presentation contains financial forecasts with respect to AerSale's projected revenues, Adjusted EBITDA, the EBITDA bridge and free cash flow for AerSale's fiscal years from 2019 to 2023. Neither Monocle's independent auditors, nor the independent registered public accounting firm of AerSale, audited, reviewed, compiled, or performed any procedures with respect to the projections for the purpose of their inclusion in this Investor Presentation, and accordingly, neither of them expressed an opinion or provided any other form of assurance with respect thereto for the purpose of this Investor Presentation. These projections should not be relied upon as being necessarily indicative of future results. These projections are illustrative purposes only and should not be relied upon as being necessarily indicative of future results. In this Investor Presentation, certain of the above-mentioned projected information has been included (in each case, with an indication that the information is a projection or forecast), for purposes of providing comparisons with historical data. The assumptions and estimates underlying the prospective financial information are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the prospective financial information. Accordingly, there can be no assurance that the prospective results are indicative of the future performance of AerSale, Monocle, or the combined company after completion of the proposed Business Combination, or that actual results will not differ materially from those presented in the prospective financial information. Inclusion of the prospective financial information in this Investor Presentation should not be regarded as a representation by any person that the results contained in the prospective financial information will be achieved.

Important Information About the Business Combination and Where to Find It

In connection with the Business Combination, Monocle Holdings Inc., the newly formed holding company that will become the parent of Monocle and AerSale at the closing of the Business Combination, filed with the SEC on December 31, 2019 a Registration Statement on Form S-4, which included a preliminary proxy statement/prospectus of Monocle. When available, the definitive proxy statement/prospectus and other relevant materials for the Business Combination will be mailed to stockholders of Monocle as of a record date to be established for voting on the Business Combination. Monocle's stockholders and other interested persons are advised to read, when available, the preliminary proxy statement/prospectus and the amendments thereto and the definitive proxy statement/prospectus and documents incorporated by reference therein filed in connection with the Business Combination, as these materials will contain important information about Monocle, AerSale and the Business Combination. Stockholders will also be able to obtain copies of the preliminary proxy statement/prospectus, the definitive proxy statement/prospectus and other documents filed with the U.S. Securities and Exchange Commission ("SEC") that will be incorporated by reference therein, without charge, once available, at the SEC's web site at www.sec.gov, or by directing a request to: Monocle Acquisition Corporation, 750 Lexington Avenue, Suite 1501, New York, NY 10022.

Participants in the Solicitation

Monocle and its directors and executive officers may be deemed participants in the solicitation of proxies from Monocle's stockholders with respect to the Business Combination. A list of the names of those directors and executive officers and a description of their interests in Monocle is contained in Monocle's preliminary proxy statement, filed with the SEC on December 31, 2019 and is available free of charge at the SEC's web site at www.sec.gov, or by directing a request to Monocle Acquisition Corporation, 750 Lexington Avenue, Suite 1501, New York, NY 10022. Additional information regarding the interests of such participants will be contained in the proxy statement/prospectus for the Business Combination when available. AerSale and its directors and executive officers may also be deemed to be participants in the solicitation of proxies from the stockholders of AerSale in connection with the Business Combination. A list of the names of such directors and executive officers and information regarding their interests in the Business Combination will be included in the definitive proxy statement/prospectus for the Business Combination when available.

Forward-Looking Statements

This Investor Presentation includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Monocle's and AerSale's actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Monocle's and AerSale's expectations with respect to future performance and anticipated financial impacts of the Business Combination, the satisfaction of the closing conditions to the Business Combination and the timing of the completion of the Business Combination. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside Monocle's and AerSale's control and are difficult to predict. Factors that may cause such differences include, but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement or could otherwise cause the Business Combination to fail to close; (2) the outcome of any legal proceedings that may be instituted against Monocle and AerSale following the announcement of the Merger Agreement and the Business Combination; (3) the inability to complete the Business Combination, including due to failure to obtain approvals from the stockholders of Monocle and AerSale or other conditions to closing in the Merger Agreement; (4) the inability to obtain or maintain the listing of the shares of common stock of the post-acquisition company on The Nasdaq Stock Market following the Business Combination; (5) the risk that the Business Combination disrupts current plans and operations as a result of the announcement and consummation of the Business Combination; (6) the ability to recognize the anticipated benefits of the Business Combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably and retain its key employees; (7) costs related to the Business Combination; (8) changes in applicable laws or regulations; (9) the possibility that AerSale or the combined company may be adversely affected by other economic, business, and/or competitive factors; and (10) other risks and uncertainties indicated from time to time in the proxy statement/prospectus relating to the Business Combination, including those under "Risk Factors" therein, and in Monocle's other filings with the SEC. Monocle cautions that the foregoing list of factors is not exclusive. Monocle further cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Monocle does not undertake to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based unless required to do so under applicable law.

Important Notices and Disclaimers (Cont'd)

Industry and Market Data

In this Investor Presentation, we rely on and refer to information and statistics regarding market participants in the sectors in which AerSale competes and other industry data. We obtained this information and statistics from third-party sources, including reports by market research firms, and company filings.

Non-GAAP Financial Measures

This Investor Presentation includes non-GAAP financial measures, including Adjusted Revenue, Pro Forma Adjusted Revenue, Adjusted EBITDA and Pro Forma Adjusted EBITDA. AerSale defines Adjusted Revenue as revenue after giving effect to the AerLine Divested Revenue. AerSale defines Pro Forma Adjusted Revenue as Adjusted Revenue after giving effect to the Normalized Avbome Revenue and the Normalized Qwest Revenue. AerSale defines Adjusted EBITDA as net income (loss) after giving effect to interest expense, depreciation and amortization, income tax expense (benefit), management fees, the airline settlement and one-time adjustments and non-recurring items. AerSale defines Pro Forma Adjusted EBITDA as Adjusted EBITDA after giving effect to Normalized Avbome EBITDA, Normalized Qwest EBITDA and Public Company Costs. See Non-GAAP Financial Reconciliation on slide 33.

Monocle and AerSale believe that these non-GAAP measures of financial results provide useful information to management and investors regarding certain financial and business trends relating to AerSale's financial condition and results of operations. AerSale's management uses certain of these non-GAAP measures to compare AerSale's performance to that of prior periods for trend analyses and for budgeting and planning purposes.

A reconciliation of non-GAAP forward looking information to their corresponding GAAP measures has not been provided due to the lack of predictability regarding the various reconciling items such as provision for income taxes and depreciation and amortization, which are expected to have a material impact on these measures and are out of AerSale and Monocle's control or cannot be reasonably predicted without unreasonable efforts. You should review AerSale's audited financial statements, which are included in the proxy statement/prospectus to be delivered to Monocle's stockholders, and not rely on any single financial measure to evaluate AerSale's business. Other companies may calculate Adjusted Revenue, Pro Forma Adjusted Revenue, Adjusted EBITDA and Pro Forma Adjusted EBITDA differently, and therefore AerSale's Adjusted Revenue, Pro Forma Adjusted Revenue, Adjusted EBITDA, Pro Forma Adjusted EBITDA and other non-GAAP measures may not be directly comparable to similarly titled measures of other companies.
